

“Quitters INC.” Stephen King

Answer in complete sentences, my 11th grade friends!

1. Who does Richard (Dick) Morrison see at the airport bar?

2. How has McCann changed since Morrison saw him last? _____

3. What habit did he quit? _____

4. Infer: If McCann can't tell Morrison about the method(s) used to quit because of the contract, what might that indicate about the method(s) used? _____

5. Why isn't the reason why a person wants to stop smoking taken into consideration under the "pragmatists" method? _____

6. What will happen if Morrison is caught smoking? (Some may have more than one punishment.)

a. 1st offense: _____

b. 2nd offense: _____

c. 3rd offense: _____

d. 4th offense: _____

e. 5th offense: _____

7. What happens on the 10th offense?

8. How does Morrison feel about his friend Jimmy McCann when he first starts the program? _____

9. How does Cindy feel about Morrison quitting? Is she supportive or not? Give evidence from the story to support your claim. _____

10. Give an example of irony from the story (look on page 7): _____

11. Why does Morrison have to come back the first of the month every month to see Donatti?

12. What might Morrison be thinking about this program in the end? Why? Give evidence from the story to support this claim. _____

After reading

13. Give examples from pages 1 and 2 that foreshadow the final paragraph. _____

14. Do you think the methods used by Quitters Inc. are ethical? Why or why not?

15. Would you have recommended the company to a relative or friend who was trying to quit smoking?
Why or why not?
